

# Library Channel Quarterly Report

## 3rd Quarter FY 2010

### January - March 2010

Traditionally winter is the slow quarter at ICPL for programming. We take advantage of this slow program time to catch up on production backlogs from the fall, and our University of Iowa intern Emily Tow has been a great help in this area.

ICPL continues to post Library Channel local history programming on the web via Overdrive. The ICPL site can be found at [overdrive.icpl.org](http://overdrive.icpl.org)

#### **Productions:**
